

Summary for children and young people

Name: The Apple Tree Centre

URN: 2570461

Date of inspection: 25 Jul 2022

HELLO

To all the children and young people who visit The Apple Tree Centre.

My name is Tina Ruffles and I am an Ofsted Inspector. I recently visited The Apple Tree Centre to complete the full inspection of this Adoption Support Agency.

Ofsted inspectors normally visit Adoption Support Agencies once every three years. This was The Apple Tree Centre's first inspection since they became registered with Ofsted.

My job is to visit Adoption Support Agencies to look at the quality of the support provided to children and young people, and to see how this support has helped you. I also looked at which staff work at The Apple Tree Centre and whether you have been able to make a good relationship with them to help when you attend the therapy sessions.

It is also important to see that you are kept safe and protected while you are visiting the Centre. Finally, I wanted to see how well Rosie and Jenny are running The Apple Tree Centre.

I was able to speak to some of your parents and the social workers who thought you would be helped by going to the Centre. I also looked at feedback that had been provided.

After taking all this in to consideration, I thought that The Apple Tree Centre is doing a *GOOD* job of helping you and your families.

I want to wish you all the best for the future.

Best wishes. Tina Ruffles
